INFORMATION FOR SPONSORS AND PUBLISHERS

With great pleasure we invite you to take part in the XVth Congress of the International Society for the Study of Human Growth and Clinical Auxology (ISGA).

Since 1977, ISGA has been holding triennial meetings in major cities in Europe, the Americas and Asia, and in 2020, XVth ISGA Congress will be held in the city of Šibenik, Croatia. For human biologists, anthropologists, educators, neonatologists, paediatricians, family practitioners and health workers from across the globe, the Congress presents an opportunity to discuss the latest research and future directions in all aspects of human growth and development.

Organized as a lively event at the Amadria Park, Solaris, the Congress provides an opportunity to promote products or services of your company. Sponsorship and exhibit opportunities offer a wide range of options which will give you flexibility to align the needs of your organization to activities associated with this event.

On behalf of Organizing & Scientific Committees we extend our warmest invitation to attend this event. We are sure that you will have an enjoyable time both professionally and socially.
